Hydrovane are pleased to announce the launch of the brand new HR series product.

A brand new air end has been developed for the 4/5 and 7.5kW units. Not only is the air-end new, but the complete machine has not so much evolved, but has *Regenerated!!!!*

Hydrovane's exciting new compressor product is now on tour, giving you the opportunity to view the design features.

A trailer fully kitted out with a machine "ready to run" along with Hydrovane personnel and.....they are Coming to **Aircare** at our **Corby** branch to show off the product.

Launch information will be supplied and some Aircare goodies. Your business could use one of the best compressors manufactured today, supported by **AIRCARE**. We expect it will take no more than an hour to give you and your team an insight into this great product, so make time to visit, you will not be disappointed.
